

"We are delighted that Alsop High School is able to facilitate a wide programme of speakers and events to bring residents together and inspire young people."

Peter Bull Co-ordinator of Hope 2016 - Alsop High School

"Hope 2016 looks really exciting and will certainly help to improve community relations by breaking down barriers and the stereotyping of various faiths. This will help to create a more cohesive and tolerant society especially amongst the young people involved. Hope 2016 will increase the resilience of communities against those who seek to cause division."

Clive Finch - Prevent Co-ordinator - Liverpool City Council

Hope 2016 offers an imaginative and practical programme to help people of all ages to bridge different views and traditions and take responsibility alongside one another for the good of their community. Hope 2016 will show that building the common good is done through negotiation and with everyone's participation - positive change happen within reciprocal relationships."

Jenny Sinclair - Founder/Director - Together for the Common Good

"Hope 2016 offers a wonderful opportunity for residents of all ages in North Liverpool to share stories, exchange views and work together in a practical way for the good of their community."

Hillary Russell - Chair - Together Liverpool

"This is a tremendous programme and the culmination of much work. We wish Alsop and everyone involved every success and we are sure it will all be greatly valued and appreciated by those that participate."

Gill Lawson School Improvement Liverpool

We are grateful for the financial assistance provided from Mayor Anderson and the Mayoral Fund.
